

Acceptable Use Policy

You are expected to use the Services in accordance reasonable industry standards and shall be responsible for Your use of the Service as well as the activities of Your end users or customers.

Your use of the Service(s) shall be subject to the following Acceptable Use Policy. You shall not:

1. Use the Service in a manner that violates any applicable law, statute, ordinance or regulation;
2. Use the Service in a manner that infringes any third party's copyright, patent, trademark, trade secret or other proprietary rights or rights of publicity or privacy;
3. Use the Service to commit any act that is defamatory, libellous, threatening, harassing or obscene;
4. Use the Service to distribute unsolicited emails, chain letters, mailbombs or "spam" (Unsolicited Bulk Email and/or Unsolicited Commercial Email);
5. Use the Service in a manner that interferes with, disrupts, or causes an excessive or disproportionate load on Our or Our suppliers' infrastructure;
6. Use the Service to commit, or attempt to commit, acts of non-authorized relays through any third party systems,
7. Use the Service to forge electronic mail (including the use of fraudulent "from addresses", or to overburden a recipient or computer system by sending mass amounts of electronic mail or data with the intent to disable the recipient system or deny service;
8. Operate open relay/unsecure mail servers which provide SMTP functionality to third parties;
9. Host web sites and services provided in "spam" advertisements;
10. Use the Service to distribute viruses, Trojan horses, worms or other similar harmful or deleterious programming routines (including portscanning); or
11. Use the Services in an effort to gain unauthorized access to, or attempt to interfere with or compromise the normal functioning, operation, or security of any network, system, account, computing facility, equipment, data, or information, or to use the Service to engage in any activities that may interfere with the ability of others to access or use the Service or the Internet.

You agree and acknowledge that the violation of this AUP by Your subscribers, end-users or customers shall be deemed to be a violation by You of the AUP. You is solely responsible for the content of any postings, data, or transmissions using the Services ("Content"), or any other use of the Services by You. Nothing in this Acceptable Use Policy obligates Us to monitor, edit or censor Your use of the services.

We make no guarantee regarding, and assume no liability for, the security and integrity of any data or information You transmit via the Service or over the Internet.

We agree to use reasonable efforts to notify You of any violations of the AUP and to give You an opportunity to correct any violations before taking action, provided that We shall reserve the right to suspend or block Service in cases where We believes that the integrity of its network is threatened by Your violation of the AUP, in cases where Your violation of this AUP involves illegal activities, or in cases where You are unavailable or there has been a previous AUP violations involving "spam", mail relaying, alteration of IP address information, or denial of service attacks.
